

Dear Parents/Carers

We are really excited to be working with you and your children and are looking forward to a busy term with lots of engaging and fun learning opportunities.

#### WORLD BOOK DAY

World Book Day is on Thursday 7<sup>th</sup> March 2024 and we are really looking forward to celebrating this with the children. Please see separate email for more details.

Book borrowing – You may have noticed that there is a bookshelf with some lovely books that your child might like to borrow and share with you. Please do feel free to sign up for a book and read it as many times as you'd like and then return it to choose a new one.

If you're interested in some more information on the importance of encouraging a love of reading, please find more details here –

#### KEYPERSON NOTICEBOARD

We are aware that for some of the groups, there has been some change over the past few months. We are really happy to let you know that the children are settling quickly into the sessions, are engaged in the learning activities and are comfortable with the team. Jade, Anne and Ryna have done an amazing job of keeping consistency of provision and care and we thank them for their dedication.

To enable you and your child to feel comfortable and know who will be nurturing the groups each session, we have created a 'Who will we see today' board in the reception area for you to look at when you arrive.

#### SPARE CLOTHES

Please can you send in some spare clothes for your child to change into if they have an accident or get a little too wet or muddy. A few pairs of socks and pants, some jogging bottoms and/or leggings would be great. You should have been given a purple drawstring bag when your child joined us that would be perfect to use for the spare clothes. Please name all of the items, this can be with a biro or Sharpie. Many thanks.

With our best wishes

Sarah & Karen
