- Children can be registered on the expression of interest form from birth.
- All applications made through the above link are placed on the allocation list when we have a confirmed date of birth.
- The allocation list is ordered by the date applications are received.
- Children with siblings already attending Grandpont will be prioritised.
- Places are subject to availability, taking into account the statutory staff/child ratios requirements.
- A £50 deposit is required on acceptance of a place offered in the all year round provision. This will be credited against the first invoice.
- Before a child can start on the date offered, registration forms must have been completed by parents/carers and a birth certificate or passport for the child must have been seen by a member of the office team.
- By accepting a place, this is taken as acceptance of our terms and conditions and policies.
- Policies are available on our website [Grandpont Nursery School and Childcare](https://www.grandpontnurseryschool.co.uk) or on request from the office. office@grandpontnurseryschool.co.uk
- Government funding can be used in the 'all year round' provision and will be stretched across the 50 weeks. This keeps invoices more consistent throughout the year.
- Funding guidelines state that funding is to be used for childcare hours only and cannot be used towards the cost of extras such as food.
- Once in the rainbows provision you cannot change to the Swans provision during the academic year, you will have to wait until the new academic year.
