

Admissions Statement

All Year Round Provision

Grandpont 'All Year Round' provision operates for 50 weeks of the year, between 8am and 6pm, providing childcare for children from 9 months to 4 years.

Parents and carers can express an interest in joining by following the link below:

- Children can be registered from birth.
- All applications made through the above link are placed on the allocation list.
- The allocation list is ordered by the date applications are received.
- Children with siblings already attending Grandpont will be prioritised.
- Places are subject to availability, taking into account the statutory staff/child ratios requirements.
- A £50 deposit is required on acceptance of a place offered in the all year round provision. This will be credited against first invoice.
- Before a child can start on the date offered, registration forms must have been completed by parents/carers and a birth certificate must have been seen by a member of the office team.
- By accepting a place, this is taken as acceptance of our terms and conditions and policies.
- Policies are available on our website [Grandpont Nursery School and Childcare](#) or on request from the office. office@grandpontnurseryschool.co.uk
- Government funding can be used in the 'all year round' provision and will be stretched across the 50 weeks. Funding guidelines state that funding is to be used for childcare hours only and cannot be used towards the cost of extras such as food.
